EXTENDED DATE OF CONTRACT.

This is a multiple award contract. Users must review all contracts in the relevant category for optimal pricing and service: see listing on last page. Document the award selection.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.
